Business Protection Specialists President to Speak at the 2013 Eastern Carolina Healthcare Technology Conference

RALEIGH, N.C. – Business Protection Specialists, Inc. today announced President, Frank Pisciotta, CSC, will be speaking at the first session of the 2013 Eastern Carolina Healthcare Technology Conference in Wrightsville Beach, NC on February 20, 2013. Mr. Pisciotta will speak on Trends in Security Best Practices for Healthcare Facilities. Mr. Pisciotta is a member of the International Association of Healthcare Security & Safety (IAHSS) and ASIS International. Mr. Pisciotta serves ASIS International on the Risk Assessment Standards Technical Committee and on the Food Defense Council. He is the Vice President of the International Association for Professional Security Consultants (IAPSC). The conference is being sponsored by Pathway Technologies, Inc.

As an independent consultant, Mr. Pisciotta has been conducting risk assessment for healthcare institutions for over 20 years. He founded [Business Protection Specialists, Inc.](http://www.businessprotection.com), a high-performance security management consultancy dedicated to helping organizations eliminate crime before it happens. The BPS team of experts features ASIS Board Certified security professionals and IAPSC-certified security consultants who provide objective recommendations for security protection and management, independent from security systems manufacturers. The company consults worldwide from corporate locations in Raleigh, NC, Canandaigua, NY, and Lakeville, MA. Contact Business Protection Specialists today at (800) 560-2199 or visit online at <http://www.securingpeople.com>.
